

06/2008 Wiedenbach celebrated its 25th anniversary

On Friday, 27 June 2008, Wiedenbach celebrated its 25th anniversary at its head office in Moos. Among the 200 invited guests were customers, suppliers and distributors from all over the world, as well as members of the Domino Group, local VIPs and of course Wiedenbach's employees with their families.

In their speeches Frank Eickenberg (CEO of Wiedenbach) and Andrew Herbert (Group Finance Director) both emphasised the close connection between the company's success and its employees. Mr Schulthess and Mr Bossart of the KOMAX company, one of Wiedenbach's most important customers, thanked the company for the longstanding and fruitful collaboration and wished Wiedenbach all the best for the future. The local mayor, Mr Kessler highlighted in his speech the importance of Wiedenbach as the biggest company and therefore, as the principal employer in the community.

One of the highlights of the anniversary certainly was the unveiling of the new Wiedenbach Logo by Frank Eickenberg and its well-done presentation by Wiedenbach's young generation, who presented the new Logo on stage in form of a flag. There were also especially designed sparkling wine cans with the new Wiedenbach Logo to clink glasses. Furthermore, the company's new brochure was presented – with the brand-new Logo as a matter of course.

A light entertainment programme with magicians and a band, as well as a variety of culinary specialities made it a perfect evening. Further information and pictures can be found on our website in the News/Picture Gallery section.
